Italy

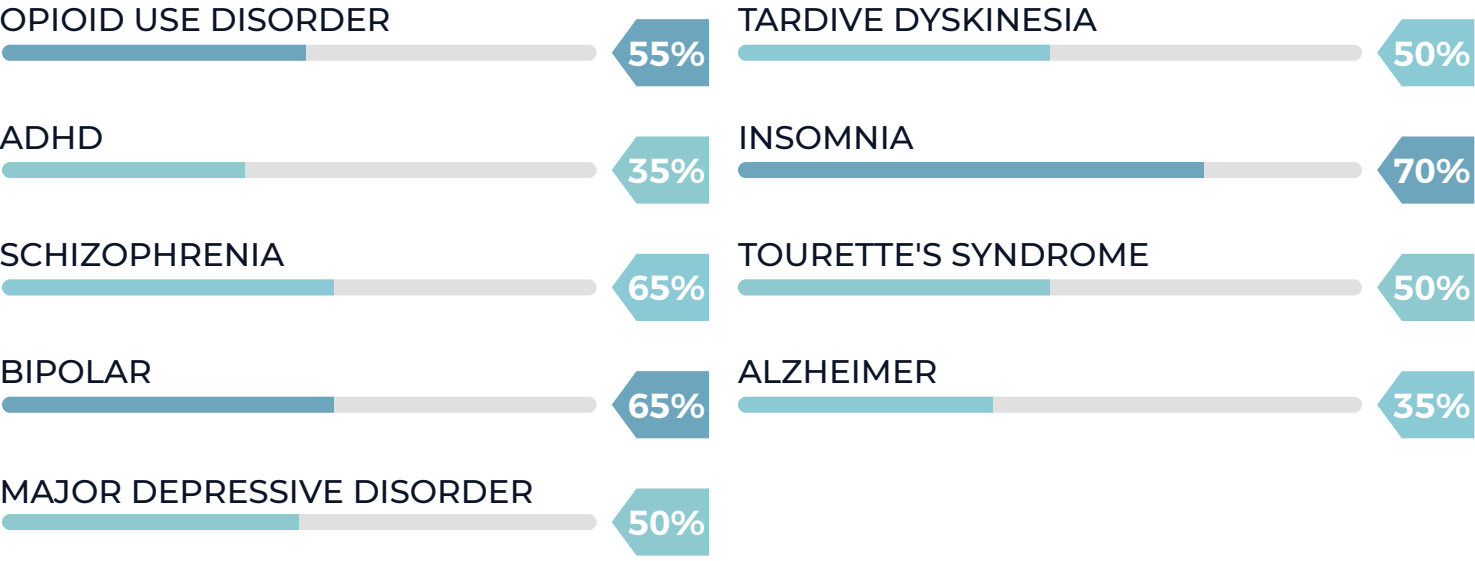

Universe Count ▶ 10,880
SHG Reach ▶ 36%

Spain

Universe Count ▶ 5,570
SHG Reach ▶ 35%

Average incidence rate by specific disease

Knowledge is power!

Over 44 Million Americans currently suffer from mental health issues, and 1 in 5 reported having an unmet need for treatment. SHG paired up with Mental Health America with the common goal of bringing to light some of the pressing issues surrounding mental health illnesses, including early identification, environmental impact, and treatment and support. We can all play a role in overcoming the negative stigmas associated with mental illness, by educating ourselves with quality information and facts.
